WILDERNESS IMMERSION

rites of passage & primitive skills

Honoring Ancestry • Guided by Earth • Held in a Village A Journey of Becoming

In every culture, there was a time when youth were lovingly guided across the threshold of transformation—when elders, earth, and ceremony came together to witness the rising of the next generation. We invite young people on a powerful multi-day wilderness journey - an experience of renewal, reflection, and connection that honors the beauty of their inner knowing and the strength of their becoming.

In this journey, they will:

- Gather in circle, share stories, and listen deeply
- Learn the timeless ways of fire, shelter, movement, and awareness
- Create sacred space for grief, joy, vision, and purpose
- Offer prayers with the wind and songs to the fire
- Walk a path of reflection in nature (with optional solo vigil)
- Return home with confidence, clarity, and community blessing
